***The ADA Board is pleased to be able to offer our members the opportunity to clinic with Alex Gerding. Mr. Gerding trained in his homeland of Germany and earned the title of Bereiter before moving to Wellington, Florida in 2000.**

Mr. Gerding's passion to teach and share his knowledge of classical dressage joins with his understanding of the biomechanics of riding to make a clinic with Alex a memorable learning opportunity for both riders and auditors. For more information please go to the website: www.alexgerding.com.
