3rd Annual Dinner & Dressage “Behind the C’s”

Featuring USDF “L” Judges Sue Thome & Louise St. Amour

New Format! This year we have an exciting new format! Our panel will be judging video tests, complete with scribe, ridden and submitted by ADA members. The goal is to give you a “Behind the C” look into what is expected, how movements are judged for each level and why, and familiarize you with terms that may appear on your score sheets. We will review several tests at each level, and each Judge will have two levels to discuss (i.e. Intro and 1st or Training and 2nd). We expect this to be a fun and informational event so make sure to mark your calendars and plan to attend!

Riders Needed! We are in need of several video tests from each level. Tests should be filmed from behind “C” perspective. Videos must be well lit and clear. Choose any USDF test from Intro – Second Level. Selected test should be appropriate to the current level of the horse and rider. Videos may be submitted via email with attached electronic file or on a CD by US Postal Mail. **Deadline for video submission is April 5th, 2010.**
