Definition of Qualifying Scores:

| Level | Junior | Adult Amateur | Open |
|-----------------------------|------------|---------------|------------|
| Training Test 3 or 4 | 63% | 63% | 68% |
| First Test 3 or 4 | 62% | 62% | 66% |
| Second Test 3 or 4 | 61% | 61% | 64% |

These definitions are taken from the nationally accepted standards of the USDF.

Juniors and Adult Amateurs may apply scores earned in Open classes to the Medal Program. The level for qualifying scores is determined by the division of the rider, not by the division in which the class was ridden. For example, a junior riding in Open Training Level will need a qualifying score of 63%.

Applications will not be considered unless ALL the following conditions are met:

1. The rider must be an ADA member in good standing prior to showing.
2. Scores may be earned on more than one horse, but each horse/rider team must be registered with the ADA on the horse/rider registration form prior to showing. Scores earned prior to horse/rider registration will not be eligible.
3. All scores must be earned in the 2009 show season.
4. Horse and rider names must be consistent between the awards report form, the horse/rider registration form and the individual score sheets.

A copy of each score face sheet with name, date of show, horse name, and judge's signature clearly visible must be submitted with the score report form. DO NOT SEND ORIGINALS as they will not be returned.

The Medal Program Report Form and supporting score face sheets must be received by the Points Chair in hard copy and postmarked by October 9, 2010. NO EXCEPTIONS.
